MIND YOUR BUSINESS PROGRAMME

The **MIND YOUR BUSINESS** programme can include :

- Consistent sales and revenue generation
- Effective online and offline presence
- Proficient profit planning
- Review of marketing and communications collateral
- Smart simple sales strategies
- Identifying the ideal customer
- Putting a plan together where action is taken to achieve goals and grow the business
- Dedicated one on one sessions with a recognised business professional
- Accountability for all activities

A bespoke programme can be designed to a client's specific requirements.

BOFIN CONSULTANCY will help you to :

- Work on the business as well as in it
- Work with a sector professional, professionally qualified and commercially experienced
- Schedule your meeting times remotely
- Offer time-saving solutions which will increase your output and focus
- Increase revenue reach
- Ensure secure and closed access to a dedicated password protected portal specific for your business only
- Equip you with a plan to take you forward to where you want and need to go
- Overcome challenges and find solutions in today's changing business environment
- Identify items for progress and action
- Benefit from our contact connection element
- Support the business through regular dedicated monthly sessions
- Prepare a progress plan which will help you schedule your time in a proactive way for business accountability and progress every month.
- Work with a professionally qualified and commercially experienced resource - Mags Boland Murphy
- **Build a profoundly profitable and sustainable business.**

The programme is of benefit to anyone who is serious about building their offer, increasing revenue reach, taking action to overcome specific challenges, getting in front of more of their ideal customers and focused on recharging revenue by planning for profit.
